DESERT AND SOUTHWEST STYLE

Warm and inviting. Casual and rustic. Like a handcrafted Navajo blanket, Southwestern décor features a bounty of rich colors influenced by the culture of its native people and by the land itself.

The Desert & Southwest Style Palette highlights the warm, earthy tones of sun-baked adobe homes, terra-cotta roof tiles and desert sands with just enough contrasting hues of green and gray to cool you off.

The inside scoop on the exterior

Bringing color to the outside of your house can have a tremendous effect on your home's value and curb appeal.

Things to keep in mind:

- Coordinate paint colors with existing features of your home such as your roof and any brick or stone accents you may have.
- Look for colors that harmonize with your surrounding landscape and neighborhood. Or use any of our color palette collections to find combinations appropriate for the architecture of your home.
- Add splashes of color by highlighting details such as doors, shutters, and architectural elements. Keep in mind light colors can add size, while dark color can inject drama.

There are thousands of colors in the world.

It's time to embrace them.
